SANTA FE

A Heritage Hotels & Resorts Property

AUTHENTIC SOUTHWESTERN STYLE

Welcome to an iconic Inn and Spa at Loretto, a boutique, luxury hotel in Santa Fe immersed in the culture and sophistication of New Mexico.

INN AND SPA AT LORETTO

Inspired in design by the Taos Pueblo — one of three UNESCO World Heritage sites in New Mexico — the Inn and Spa at Loretto is widely regarded as one of the most photographed structures in Santa Fe — and for good reason. This AAA 4-Diamond resort epitomizes the intrigue of northern New Mexico through artistic design, world-class accommodations, and convenience. Located in the heart of Santa Fe and within immediate walking distance to the city's top attractions — such as the historic Santa Fe Plaza, Palace of the Governors, and the world-renowned “Artist Row” galleries of Canyon Road.

ACCOMMODATIONS

Drawing design inspiration from one of the most iconic landmarks in the southwest — the Taos Pueblo UNESCO World Heritage Site — each of the guestrooms at the Inn and Spa at Loretto hold true to this cultural influence with Native American and organic accents. Some rooms, including the Penthouse Suite, feature kiva fireplaces and a wealth of craftsmanship that reflect the culture and sophistication of Santa Fe.
